1. COVER LETTER

SHIV PANCHAL
panchalshiv810@gmail.com | +91 8866522609

Dear Hiring Manager,

I am writing to express my interest in an entry-level Data Analyst or Data Analyst Intern opportunity at your organization. I have completed my B.B.A. and am currently pursuing a Data Analytics Diploma at TOPS Technologies in Ahmedabad.

Through my coursework and self-directed learning, I have developed a working foundation in Python, Advanced Excel and NumPy. I am also familiar with JSON/CSV data handling, OOP, Pivot Tables, XLOOKUP, INDEX-MATCH, data validation, conditional formatting, statistics, slicers and dashboards.

As a fresher, I am looking for an opportunity where I can apply what I have learned to practical business problems while continuing to improve my analytical skills. I have also worked on an academic Food Delivery Management System using Python, JSON, CSV and OOP.

I would appreciate the opportunity to discuss how my current skills and willingness to learn could contribute to your team. Thank you for considering my application.

Sincerely,
Shiv Panchal

Dear Hiring Manager,

Please consider this document as a brief introduction to my current technical portfolio. I am a B.B.A. graduate currently pursuing a Data Analytics Diploma at TOPS Technologies, Ahmedabad, with a focus on developing practical data-handling and analytical skills.

My current skills include Python, Advanced Excel, NumPy, OOP, JSON/CSV, Git/GitHub, Pivot Tables, XLOOKUP, INDEX-MATCH, data validation, conditional formatting, statistics, slicers and dashboards.

My main academic project is a Food Delivery Management System built with Python, JSON, CSV and OOP. The project demonstrates practical work with order management, data persistence, menus, delivery-fee calculation, input validation and rider assignment.

3. RECOMMENDATION LETTER / LETTER OF APPRECIATION

SHIV PANCHAL
panchalshiv810@gmail.com | +91 8866522609

To Whom It May Concern,

I am pleased to recommend Shiv Panchal as a learner who is actively developing his skills in the field of Data Analytics. Shiv is currently pursuing a Data Analytics Diploma at TOPS Technologies, Ahmedabad, after completing his B.B.A.

During his learning journey, he has worked on Python, Advanced Excel, NumPy, JSON/CSV data handling and object-oriented programming. He has also completed an academic Food Delivery Management System that demonstrates his ability to work through a project from concept to completion.

Shiv has shown a willingness to learn and strengthen his technical skills through coursework and self-directed practice. He is currently looking for an internship or entry-level opportunity where he can gain practical exposure and continue developing professionally.

I appreciate his effort toward building a foundation in Data Analytics and wish him success in his future career.

Sincerely,
Data Analytics Course Instructor

Dear Hiring Manager,

I am writing to express my interest in an entry-level Data Analytics opportunity with your organization. I have completed my B.B.A. and am currently pursuing a Data Analytics Diploma at TOPS Technologies, Ahmedabad.

My current learning includes Python, Advanced Excel, NumPy, JSON/CSV, OOP and basic data analysis tools. I have also practiced Excel features such as Pivot Tables, XLOOKUP, INDEX-MATCH, data validation, conditional formatting, slicers and dashboards.

I am particularly interested in starting my career in a role where I can work with real data, learn from experienced professionals and improve my analytical and problem-solving abilities. Although I am a fresher, I am willing to learn and take responsibility for assigned work.

I would be grateful for an opportunity to discuss any suitable internship or entry-level opening. Thank you for your time and consideration.

Sincerely,
Shiv Panchal
